Tips, Do's and Don'ts

- If you found an apartment yourself and are not sure about the reliability of the tenant, you can always contact accommodation@ism.it and we will help you out.
- Always carefully *read the rent agreement documents* and contact us, if you are not sure about something.
- Be aware that most of the time taxes are paid separately from the rent price.

! For students outside of the EU !

- Make sure the tenant gives permission to declare the accommodation as your temporary living place. Your temporary living place is needed to acquire temporary residence permit.
